

A close-up, low-angle shot of the front wheel of a white car. The car is parked on a paved surface, possibly a racetrack, with a modern building in the background. The wheel features a multi-spoke alloy rim and a Kumho ECSTA PS71 tire. The tire sidewall displays the text "ECSTA PS71", "245/45 ZR18 100Y", and "KUMHO". A red banner with the text "TYRE RANGE" is positioned in the bottom right corner. The overall scene is brightly lit, suggesting a sunny day.

KUMHO TYRES

TYRE
RANGE

A WINNING CHOICE

At Kumho, we know that staying ahead in the world of tyres means always pushing the limits of innovation. This is why we lead the way in technology and design, crafting tyres that set the standard in performance and quality.

Our award-winning tyres result from a relentless dedication to pushing the boundaries of technology, making Kumho one of Australia's top-selling tyre brands. Our range of tyres challenges convention with cutting-edge design and proven performance, making Kumho the perfect choice for even the most demanding applications.

At Kumho, we will never rest on our reputation alone. Instead, we continually seek new ways to innovate and evolve – exploring new roads to drive us forward.

KUMHO – AWARD-WINNING INNOVATION FOR THE DRIVE AHEAD.
